PROFILE

Full-Stack Developer with a strong foundation in architecting end-to-end web applications. Proficient in TypeScript and modern JavaScript frameworks, with expertise in building high-performance, responsive interfaces and scalable backend systems. Demonstrated ability to integrate secure systems, real-time functionalities, and AI-driven features. Currently advancing knowledge in Machine Learning and algorithms to develop intelligent, data-driven solutions within modern web architectures.

EDUCATION

Guru Tegh Bahadur Institute of Technology , Delhi (2023-present)
Pursuing B.Tech in Computer Science Engineering (Data Science) , focusing on full stack development, DSA, and building AI/ML-powered SaaS projects.

DAV Public School , Faridabad (2022)
Completed Higher Secondary (Class XII) with active involvement in public speaking and debating, developing strong communication and presentation skills.

SKILLS

- **Languages & Core:** JavaScript(ES6+), Python, C++, TypeScript
- **Frameworks & Tools:** React.js, Node.js, Next.js, Express, Tailwind CSS ,VS Code, Jupyter Notebook
- **Databases & Cloud:** MongoDB, PostgreSQL, Cloudinary, AWS, Vercel
- **Other:** Git/Github, REST APIs

PROJECTS

- **JobFit AI-AI Resume Analyzer and Job Matching Platform**
Developed an AI-powered resume analysis and job matching platform using React, Node.js, and MongoDB, with JWT authentication and PDF parsing for data extraction. Integrated Gemini AI (with fallback) for ATS scoring, resume improvement, and skill-gap analysis.
- **SensAI-AI Career Coach**
Built an AI-powered career coaching platform using Next.js and TypeScript, integrating Google Gemini AI for resume generation, interview prep, and industry insights, with secure authentication and data visualization.
- **SnapTalk - Real Time Chat and Video Call App**
Developed a feature-rich communication platform using the MERN stack, supporting real-time messaging, video calls, and screen sharing. Integrated Zustand for state management and implemented 32 dynamic UI themes with Tailwind CSS, ensuring a highly customizable and responsive user experience.

CERTIFICATIONS

- Full Stack Web Development Course - Udemy 2025
- SIH Internal Hackathon - 2025
